JOB ANNOUNCEMENT

Program Associate, Washington D.C. (Part-Time)

About Brighter Bites

Brighter Bites is a nonprofit that creates communities of health through fresh food with the goal of changing behavior among children and their families to prevent obesity and achieve long-term health. Brighter Bites is an evidence-based, multi-component elementary school, preschool, and summer camp program that provides reliable access to fruits and vegetables, nutrition education, and consistent exposure to recipes and messages that feature fresh food.

Since 2012, Brighter Bites has provided more than 17 million pounds of produce and 100,000s of nutrition education materials to more than 53,000 families and teachers in Houston, Dallas, Austin, New York City, Washington, D.C., and Southwest Florida.

Role

In Washington D.C., Brighter Bites partners with Capital Area Food Bank to deliver its innovative program model in Prince George's County. The Program Associate position will require regular travel throughout Prince George's County. Most schools are about a 20-minute drive from downtown Washington, DC, or the Capital Area Food Bank, and they are not metro accessible.

The Program Associate works primarily at assigned sites (schools/camps) to manage and support Brighter Bites program implementation. This position is part-time and seasonal, requiring candidates to be available for 7-14 hours per week during the active weeks of programming from mid-September through early June.

Position Description

- Constantly strives to engage families, site partners, and community members in Brighter Bites mission of creating communities of health through fresh food.
- Management of multiple school sites to oversee delivery of Brighter Bites program.
- Onsite at each assigned morning bagging in a leadership role. Oversees bagging process including receiving produce, managing family and community volunteers, problem solving independently with site partners.
- Supports Program Coordinator with afternoon produce distributions including engaging families in healthy recipes, distributing nutrition materials, playing educational games with children, and recording family participation on electronic rosters.
- Completes electronic paperwork on personal phone or Brighter Bites tablet, depending on preference.
- Learns the basic principles of CATCH, the nutrition education program utilized by Brighter Bites, and communicates these messages to site staff, children, and families.

- Works and communicates effectively with key site contacts, volunteers, and families to implement Brighter Bites program policies and procedures while creating and maintaining a friendly, fun, and health-conscious environment.
- Collaborates with Brighter Bites Program Coordinators and Director to tailor Brighter Bites program implementation to the culture of each site.
- Communicates with Brighter Bites team to share successes and challenges for each assigned site and provides insight for improvement.
- Contributes to city-wide social media posts by taking photos during programming.
- Contributes to city-wide fundraising/marketing events, as needed.

Responsibilities

- Coordinates and collaborates across departments, sites, and organizations regarding Brighter Bites activities and strategies.
- Assists with all aspects of Brighter Bites program implementation.
- Manages multiple sites for Brighter Bites program, including program schedules, location and distribution schedules, and budgetary implications.
- Works effectively with key contacts at sites as well as site volunteers regarding all program components and policies including produce bagging (when necessary), produce distribution, preparation of weekly snack sample, and delivery of nutrition education.
- Tracks Brighter Bites program components by maintaining accurate data and reports for each site.
- Collaborates with Brighter Bites team on development, implementation, and management of program policies and procedures.
- Interacts with the public and/or external organizations to facilitate program dissemination.
- Informs management of key activities and makes periodic program evaluation and progress reports.
- Communicates with the larger community to share objectives and outcomes.
- Prepares and delivers oral presentations at professional meetings as assigned.
- Helps ensure Coordinated Approach to Child Health (CATCH) curriculum is implemented at assigned sites, teaching CATCH lessons as needed or assisting in the placement of interns to teach.
- Oversees work of external interns, volunteers, and/or Brighter Bites Associates at sites to ensure proper program implementation.
- Assists with fundraising/marketing events, as needed (may include some weekends).
- Other duties as assigned.

Requirements

- Desire to work with a mission-driven organization. Passion for sharing the power of fresh food with others, especially children and families.
- Advanced Spanish language skills. Bilingual (Spanish/English) preferred.
- Ability to work independently, with the support of volunteers and site partners.
- Previous experience leading large groups or volunteers.
- Understanding of key nutrition education concepts.
- Previous experience working with children and parents, preferably in an educational setting.
- Stellar interpersonal communication skills.

The better we nourish, the brighter we flourish.
